**Borders:** Brian Chandler, *England*

**Glosters/Misc. Type:** Patrick Varian, *USA*

**Fifes:** Jeff Hamlett, *England*

**Colorbred & Mules:** Albert Silva, *USA*

## Voting Information ~ *Nomination*

Please note that on March of each year nominees will be accepted for show judges of each section for the proceeding year. By the August meeting judges must be voted on and contacted so that confirmations will be received well in time for the show of the following year.

## Show Rules

1. SEMCC is an open show.
2. Entry fee shall be \$2.00 per cage to a maximum of \$50. Entry fee for sale birds shall be \$2.00 per bird.
3. Separate entry forms are required for each Division.
4. All entries must be bona fide property of exhibitor at least thirty (30) days prior to the show.
  - Exhibitor assumes responsibility for legality of his entry.
5. To compete in the unflighted (young) classes all entries must be bred and banded with a recognized, current year, traceable closed band.
6. All birds that are flighted, or with open bands or unbanded, or with unrecognized or non-readily traceable bands, must compete in the old (open) classes.
7. No more than one band is allowed per bird for those requiring bands.
8. Any bird purchased within one year from a judge cannot be shown at SEMCC when that judge is officiating in that division at the show. Any officiating judge or their team member or family member will be able to show in any other division.
9. Every possible attention will be given to the care of the birds, but the SEMCC will not be held responsible for any accident, mistake, loss, theft or damage that may occur to any exhibit.
10. All birds must be checked in by 9:30AM on Saturday. After birds are entered and checked in they are under the care of the show management. **Check out will be on the following day, Sunday at 11:30AM.** No exceptions are allowed. **They are not to be handled except by direct permission of the show manager.**
11. If drinkers or feeders are removed for judging by the stewards, they should be replaced by the stewards. If this has not been done the exhibitor should notify the show management and have it done by those responsible for handling the exhibit. Birds, drinkers, or feeders shall not be removed from their individual cages, except by SEMCC officials.
12. Show management has the right to add, combine or withdraw classes as the number of entries dictates.
13. Identification, signs, or display advertising will not be allowed on any cage until the judging has concluded.
14. Special awards given for club bands or membership will not be awarded unless exhibitor's eligibility is indicated on the entry form. All special awards will be judged and/or presented after division judging has been completed.

## **Show Rules *(continued)***

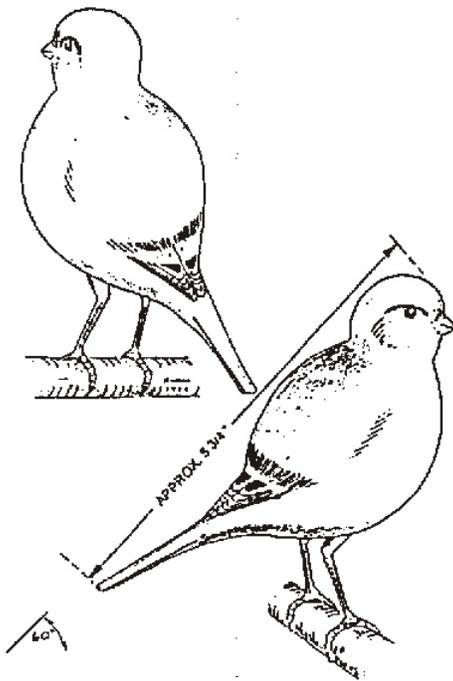

15. Judging by daylight or Vitalite or equivalent as the situation dictates.
16. Colorbred canaries will be judged by the point system.
17. Cage bottoms should be covered with a regular seed mixture relative to the particular species.  
Black and white sand, etc.
18. No steward is authorized to reclassify an entry. Only a judge has the authority to reclassify an entered bird.
19. The judge has the right to withhold awards if the judge feels the bird does not warrant the award. The judge is to check bands after judging for bred and banded by the exhibitor.
20. Decisions of the judge are final.
21. The SEMCC Board of Directors reserves the right to interpret all rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto. It also reserves the right to amend and add to these rules. All complaints must be given to the SEMCC show manager.

## **Bird Sale Room Rules**

1. As the SEMCC is a show to promote the breeder and the exhibitor, the bird salesroom is available only to exhibitors and local club members.
2. Entry fee is \$2.00/bird. Fees shall be paid at the SEMCC check-in-table and all sales bird entries are final by 10:00am.
3. All birds must be in a clean, appropriate sized cage, with adequate food and water provided by the owners. Overcrowding or neglected birds will not be tolerated.
4. SEMCC reserves the right to remove/refuse any bird showing signs of illness or injury, in poor condition, or any other reason sale room personnel see fit. Any bird not complying with the above rules will also be subject to removal or refusal.
5. SEMCC will not be held liable for any loss of birds, cages, or products from any causes to, during, or from the show. SEMCC reserves the right to interpret all sale room rules and regulations, and arbitrarily settle and determine all matters, questions, and differences in regard thereto. SEMCC also reserves the right to amend and add to these rules. Problems or questions should be directed to the SEMCC show manager.

## DIVISION I-BORDER FANCY CANARIES

*The North American Border Club Standard of Excellence*

The grand essentials of the Border Fancy Canary are type and quality. Without these all other aspects are useless. The general appearance is that of a clean cut, lightly made compact, proportional, close feathered Canary showing no tendency to heaviness, roughness, or dullness, but giving the impression of fine quality and symmetry throughout.

**HEAD & NECK 10 points.** Head well-rounded and neat when viewed from any angle, beak fine, eyes clear and positioned to rest on an imaginary line as an extension to the line between the upper and lower mandible of the beak, very slightly forward of the central point of the head. Neck rather fine, in keeping with the head and flowing smoothly into the body lines and of a sufficient length to give a free, jaunty look to the head carriage.

**BODY 15 points.** Well filled and nicely rounded running in a smooth downward curve from the gently, smooth rise of the shoulders to the point of the tail. The chest is also nicely rounded, but not heavy. The line of the curve to the root of the tail always being downwards. Viewed from above and behind the body outline should be symmetrically pear shaped.

**WINGS 10 points.** Compact and carried close to the body, covering the back with primary and secondary flight feathers meeting at the tips. Out flight tips to meet at the root of the tail. Primaries and secondary's to be pointed.

**LEGS & FEET 5 points.** Legs of medium length and showing a little thigh. The legs should be fine yet in harmony with the size of the bird and allowing it to adopt a gay, jaunty stance. Feet in keeping with the legs, both to be clean and without blemish.

**PLUMAGE 10 points.** Close, firm and fine quality, presenting a smooth, silken, glossy appearance, free from browiness, frill or roughness.

**TAIL 5 points.** Close packed and narrow, being nicely rounded and well filled in at the root.

**POSITION & CARRIAGE 15 points.** Semi-erect standing at an angle of about 60 degrees. Gay and jaunty with a full poise of the head.

**COLOR 15 points.** Rich, soft and pure, as level in tint as possible throughout but extreme depth and hardness, such as color feeding gives, are debarred. Any exhibit being color fed will be disqualified.

**SIZE 5 points.** The ideal length from the top of the head to the tip of the tail is approximately five and three quarter (5-3/4) inches, length should be in proportion and balance with other features of the bird.

**HEALTH 10 points.** Condition and cleanliness shall have due weight.

## DIVISION 1 - BORDER FANCY CANARIES

### SECTION 1 - Clear, Ticked or Lightly Variegated

<b>COCKS</b>			<b>HENS</b>	
<b>Old</b>	<b>Young</b>		<b>Old</b>	<b>Young</b>

*Please DO NOT call on Saturday*

We couldn't possibly show it all to you because ABBA's complete and balanced diets consist of much, much more. We start with only the highest quality grains, and then add in the right proportions of vitamins and minerals. This method of blending is crucial so the bird's delicate biological systems will utilize these nutrients properly. Now imagine fresh fruits, fresh vegetables, succulent meats, poultry and fish actually ground up then blended with wholesome grains to produce our famous and unique nutritious kibble biscuit! The process is unique, the quality is overwhelming, and the results are there! OTHERS SAY IT...WE DO IT...WE CAN PROVE IT!

# protein<sup>®</sup> egg food

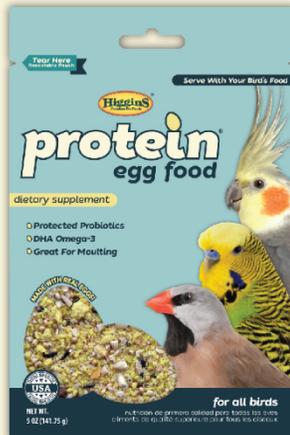

dietary supplement

- Protected Probiotics
- DHA Omega-3
- Great For Moulting

Higgins Protein Egg Food provides companion birds with an excellent source of protein derived from both animal and plant sources. Companion bird foods that do not contain animal proteins can be deficient in the necessary amino acids, methionine and lysine. Protein Egg Food is natural (with added vitamins and minerals) and made with baked whole eggs, whole grain bread crumbs and honey. Protein Egg Food is also great as a nestling food and during moulting. Higgins Protein Red Egg Food has added Beta-Carotene to assist in maintaining your red factor canary's unique color. Higgins Protein Egg Food will also supplement your pet's diet with Vitamin A for immunity, Vitamins B12 & E for cell development, Vitamin D for bone and muscular development and Biotin for improved feathering.

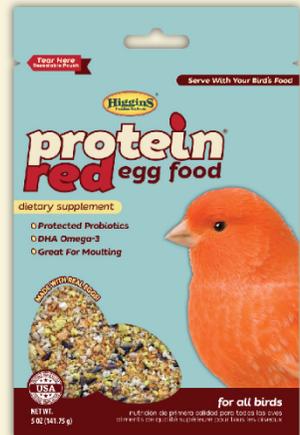

**INGREDIENTS:** Ground Wheat, Wheat Flour, Eggs, German Millet, Oats, Sugar, Nyjer Seeds, Flaxseed, Dicalcium Phosphate, Chia Seeds, Honey, Brewer's Dried Yeast, Wheat Gluten, Calcium Carbonate, Salt, Algae Meal, DL-Methionine, L-Lysine, Potassium Chloride, Choline Chloride, Lecithin, Wheat Germ Meal, Mixed Tocopherols (preservative), Rosemary Extract, Green Tea Extract, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Zinc Sulfate, Niacin, L-Ascorbyl-2-Polyphosphate (Source of Vitamin C), Ferrous Sulfate, Calcium Pantothenate, Thiamine Mononitrate, Copper Sulfate, Riboflavin Supplement, Pyridoxine Hydrochloride, Manganese Sulfate, Zinc Proteinate, Folic Acid, Calcium Iodate, Manganese Proteinate, Copper Proteinate, Biotin, Sodium Selenite, Cobalt Carbonate, Vitamin B12 Supplement, Turmeric, Natural Flavors, Dried Enterococcus Faecium Fermentation Product, Dried Lactobacillus Acidophilus Fermentation Product, Dried Lactobacillus Casei Fermentation Product.
